BRUXELLES - DIALOGUES IN ABSTRACTION

FROM 30 NOV - 21 JAN 2024

Galerie Sept is excited to present 'Dialogues in Abstraction,' an exhibition that masterfully showcases a complex interplay of materials and concepts through the works of five visionary artists. This exhibition not only highlights artistic innovation but also marks the debut of Katrin Fridriks, our newest resident artist, renowned for her dynamic portrayal of speed, gravity, and the human connection with natural forces, and acclaimed internationally for her impactful art. Joining Fridriks in this exhibition are artists each with their own unique approach:

- Lee Hyun Joung, whose work brilliantly bridges the rich heritage of her South Korean roots with the expansive realm of modern artistic expression.
- Nicolas Dubreuille, an artist who masterfully combines color and geometry, creating visually striking works that defy categorization and resonate with a contemporary, minimalist, and pop spirit.
- Daniele Basso, whose mirrored steel works invite introspection into individual and cultural identities, reflecting humanity's messages and shaping its future.
- Nikodem Szpunar, whose innovative approach and deep understanding of form and function blend design with conceptual art, creating pieces that evoke sensory experiences and responses beyond their physical presence.

'Dialogues in Abstraction' celebrates each artist's dedication to their craft, showcasing their efforts to harmoniously balance abstract art elements. The exhibition is a tribute to the varied influences that shape these artists' visions, exploring common themes like environmental consciousness, the intricacies of artistic gestures, and the depth of personal expression.

This exhibition promises a rich and engaging artistic experience, revealing the profound connections and motivations that unite these artists. It invites audiences to delve into the world of contemporary abstraction, fostering meaningful discussions and acknowledging the role of creativity in transcending cultural barriers.
